Mark would like to thank all the anglers for taking part in the series, which were well supported by the 28 anglers that registered.

It is hoped that the Qualifiers for 2013 teams will continue to attract widespread support from all of Ireland's anglers.

The NCFFI would also like to thank Tubertini UK & Ireland for its very generous sponsorship in 2011, which totalled over 12,000 Euro. It is hoped that in 2012 this sponsorship will include all three Float Teams listed above.
