

The NCFFI in conjunction with the Angling Council of Ireland are actively looking for venues in which you or your club can develop. Funding is available through the Leader Programme and members of the NCFFI and ACI have the expertise to aid any club with the relevant process and paperwork, at the moment we are awaiting approval on a project in Carlow and we will keep you up dated. Should you have any queries do not hesitate to contact us by phone or by e-mail.
