

The NCFFI are looking to run ACI coaching course for NCFFI members in January or February 2011.

The course will last a full day and take place in Sports HQ, Park West, Dublin. This course is nationally recognised and our tutor, Mr Der Casey, has been trained by University of Limerick. This will help any club to develop proper training to their members young and old and could also assist in any funding a club may need.

If you are interested or need more information you can contact Der on 00353 86 0568430 or e-mail der.casey@gmail.com.
