

CLUB REGISTRATION OPEN COMPETITION & FESTIVALS

Clubs must register any Open Competitions and Festivals annually to ensure public liability insurance cover for club officials and organisers. Any participant who is not a full member of the NCFFI is defined as a Guest.

For all events with more than 35 expected to be in attendance, the NCFFI requires the estimated number of total participants, and separately the number of guests, to ensure appropriate cover.

CLUB NAME:

Name of Event	Location	Date Start-End	Estimated Number of Participants	Estimated no. Guests

The Club must adhere to NCFFI Protocol & Policies to include Safeguarding and carry out a Risk Assessment prior to the event. Policies can be reviewed at www.ncffi.ie

Please note: NCFFI Public Liability Insurance Policy does not cover motorised vehicles such as tractor & trailer, quadbikes for the transportation of anglers and their equipment. Boat cover is for angling purposes only in accordance with the licensed capacity of the vessel.

This form must be completed and sent to secretary@ncffi.ie (or completed on-line at www.ncffi.ie/competition) for approval one month prior to the event taking place.
