Bellús - Benigànim (Valencia)
del 7 al 12 de abril de 2025

D. José Luis Bruna i Brotons
President of the Spanish
Federation of Fishing and
Casting

Dear Angling Friends:

As President of the Spanish Federation of Fishing and Casting, I have the honor of greeting and welcoming the athletes, captains and delegates, as well as the Fips-Ed delegates, who will meet in Bellús/Beniganim, on 7th and 13th April 2025, to celebrate the 2nd WORLD CHAMPIONSHIPS FEEDER U-25.

The city of Valencia and its dynamic Provincial Council have been distinguished by their support for sport, as an activity that generates values such as effort, self-discipline, respect and its integrating social capacity, to which in sport fishing one could add specific values such as Respect for aquatic ecosystems and the natural environment, as well as its great social transversality. This tradition of promoting sports characterizes Bellús/Beniganim. For this reason, both the Spanish Federation of Fishing and Casting and the Fishing Federation of the Valencian Community feel proud and satisfied to have achieved that this world competition can be held in the wonderful facilities of the Bellús/Beniganim Controlled Fishing Zone.

The Valencian Community is a first-class tourist attraction. During these days you will be able to check its climate, its magnificent beaches, its historical monuments, and its excellent and varied gastronomy. You yourselves will see their welcome and hospitality every time the world of competitive fishing knocks on your doors.

I would like to express my gratitude to Fips-Ed for granting the organization of this III Free Style Method Feeder World Championship, without forgetting the recognition and support that the Higher Sports Council has always given to our sport.

But I would not like to finish these lines of greeting and welcome without expressing my satisfaction, my appreciation and sincere gratitude to the Fishing Federation of the Valencian Community, for its dynamism, its good management and brilliant promotion of the sport of fishing, which makes it in one of the great pillars of the Spanish Federation of Fishing and Casting (FEPYC). From here I want to thank your entire organization, all its efficient and enthusiastic collaborators. This World Championship will shine with its own light, I am sure of that.

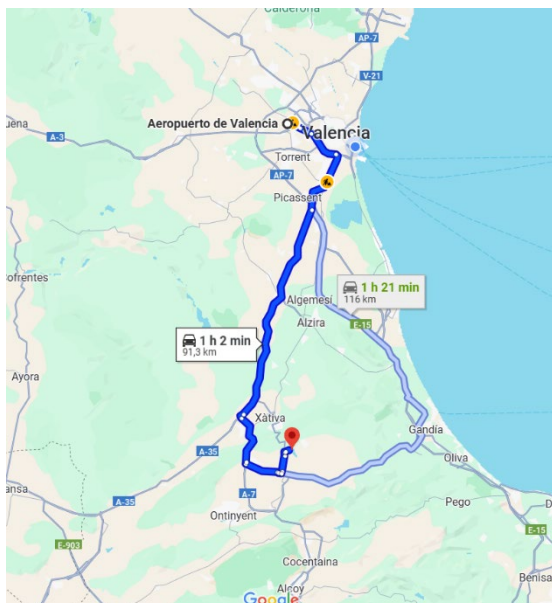

We look forward to welcoming you in Spain

ANTI-DOPING INFORMATION **TUE REQUESTS**

The athletes participating in the Championship, with the registration, implicitly accept all WADA anti-doping rules. Athlete whose illness or condition requires treatment with a prohibited substance or method must apply to CIPS for a Therapeutic Use Exemption (TUE) following the CIPS strict TUE application process.

He/she shall then use the application form, which can be downloaded from the ITA website: <https://ita.sport/resource/international-testing-agency-therapeutic-use-exemption-tue-application-form/>

The TUE request has to be sent to the following address: tue@ita.sport

Athletes must therefore consult the Prohibited List https://www.wada-ama.org/sites/default/files/2023-09/2024list_en_final_22_september_2023.pdf

If the TUE is granted, the athlete will then be permitted to use the medication during the period of validity of the TUE without committing an Anti-Doping Rules Violation (ADRV).

Regardless of whether a TUE has been granted or not, athletes should always declare on the doping control forms filled out during sample collection any medications and supplements taken within the seven days prior to sample collection, and any blood transfusions in the three months prior for blood samples.

If a TUE has already been granted by a NADO or by a RADO, the Athlete in question does not have to apply for any additional CIPS TUE, as CIPS recognizes all TUE granted by NADOs and RADOs.
